# Elevate Your Customer Engagement

## Hassle-Free Contactless Shopping

**Customers simply point the camera on their phone at the QR Code and go directly to the details page for that unit on your website. We also provide you information on who is looking at which RVs on your lot.**

**goIDit is always available, even when you are not, allowing you to capture leads from weekend and off-hour shoppers. By directly linking each QR to your website, shoppers have access to a unit's details, up-to-date pricing and all available incentives – maximizing the opportunity to turn shoppers into buyers**

**Contact us at [contact@goidit.com](mailto:contact@goidit.com) or at 402-253-0077 to get started today!**
